

## **Extra-curricular activities**

Extra-curricular activities have been available at the school since 2000. These activities while not forming part of school are not without pedagogy.

The main purpose of the extra-curricular activity is discovery and initiation. To give children a taste of the sport or artistic activity before becoming more involved.

For this reason the majority of courses take place just once a week and we do not offer several levels. The idea is that children who wish to continue with an activity should do so in external clubs or associations which are more specialised

The timetable for Friday afternoons (primary 1-2) offers the possibility to enrol for two activities as follows

**From 12:15 to 13 :45 semestre 1**  
**From 13:45 to 15:15 semestre 1**  
**From 12:15 to 13:45 semestre 2**  
**From 13:45 to 15:15 semestre 2**

Please note that for a given activity these four courses are identical and that enrolling in the same activity twice will involve repetition perhaps leading to boredom or loss of interest in the activity rather than progression. **For this reason we strongly discourage the enrolment of a child in the same activity twice. This advice applies particularly to sports.** Variety and trying everything is the aim.

## **Practical Information**

1. It is possible to try out all activities for two weeks. If a child discontinues, the cost less a cancellation fee of €30 will be reimbursed.
2. Enrolment is open for all courses for both semesters from 15 June.
3. Enrolment for one semester does not give a priority for a later enrolment for the following semester nor an automatic re-enrolment.
4. First come first served. An activity interests you, you wish to ensure your place... Sign up, pay the fee and your place is confirmed...
5. Sport...Arts... Culture...Music – how to choose?
  1. Avoid repeating the activities in the school timetable. Example: swimming on the same day as school swimming.
  2. Listen to your children. Avoid projecting your aspirations onto their activities. Remember that it is they not you who will be doing the activity
  3. Vary the activities... some sport... some arts
  4. Consult the site: <http://periscolaire.apeeexl3.be/>. You will find all Information you need to make your choice

Please contact the office in case of doubt
